

Curbside Consultations Palliative Care

Annette Carron, DO, FACOI, FAAHPM, CMD

Geriatrics and Palliative Care

Henry Ford Macomb Hospital

Things I wish I never heard

- This patient really needs you but they are not ready yet!
- In the EMR- Patient now DNR, wishing comfort- will consult palliative care

Things I wish I never heard

- Doctor talking to family of hospitalized patient:
 - “He can stay here until he dies”

Things I wish I never heard

- Doctor talking to family of hospitalized patient:
 - “She can’t have that on Hospice”

Things I wish I never heard

- Doctor giving nurse orders for patient newly enrolled in hospice in hospital:
 - “Start Morphine drip at 10mg/hour”
